

ZANSKAR EXPEDITION

Unreal World

ABOUT THE PLACE

A journey into the depths of Ladakh is a dream, a dream made of adventures, experiences & a trip of a lifetime! This cold desert of India always inspires us to explore more & more and so it is only right to head straight into the Zaskar Valley, a place that is a must on our bucket list!

One of the most unexplored regions of Ladakh, Zaskar holds beauty that lies beyond the eyes of the beholder. Our journey begins in Manali before we enter Lahaul valley the next day! A halt at Lahaul and a day to relax- calls for camping!

Moving ahead in our Journey to reach Zaskar, we take the offbeat road and cross Shinkula pass, situated at the height of 5,091 m.

In Zaskar, The No. 1 destination on our list is to experience the Phuktal Gompa, a beautiful institute perched in the mountains. We trek for a while to reach here.

Our ride continues from Padum and we head to Kargil after visiting the raw and mesmerising Shela waterfall! On our journey, we also explore the Sani village, head to Pensi La Pass and drang drung glacier
